Being safe means playing and behaving in a safe way that does not hurt or injure anyone. Being respectful means that we always treat each other with consideration, care and kindness, and always have a smile ready. I am always amazed by the lovely way that parents and children greet me in the morning as they make their way to class.

We hope that our parents and caregivers will support us in reinforcing these Westminster Junior Primary expectations.

High Expectations – High Care
The statement above is the focus of the Department of Education for the next four years. At our school, staff have very high expectations of the students and expect each student to try their very best. Our school also excels at giving students a very high degree of care. Each staff member develops a warm and nurturing relationship with the children in their care. Please remember to talk with your child’s teacher if you have any concerns about your child’s academic, social or emotional progress.

Principal’s Message
Dear Parents and Caregivers

New Staff
I would like to welcome the new staff members who have joined the wonderful Westminster Junior Team this semester. Mrs Wendy McNeil is our new music specialist. Wendy is a highly accomplished musician and will continue some of the great programs that have been put in place at our school like choir and the guitar program. Mrs Sarah Abbott joins us from the senior school where she has been teaching Art. Mrs Abbott is teaching Art and some Sport classes. Mrs Mariano, Ms Tassell, Mrs Morgan and Miss Brydon will continue with us this Semester as well.

Please join me in making our new staff welcome.

School Expectations
We are reinforcing with our students our three new expectations which were developed last year:
• Be a Learner
• Be Safe
• Be Respectful

Being a learner means actively participating in all lessons to the best of your ability.
