It is important to remember that all students have the right to an education and that we do not discriminate against others on the basis of their disability. This includes making sure that students have access to equal opportunities and are educated in a school that is free from negative comments about their disability.

Respect

I have been chatting with staff and students about the theme of respect and want to make sure that it is something that we are all practicing at our school. This means being very aware of the way we speak to and about others and being mindful of the way we treat each other. Sadly, we have had some instances where children have heard adults speaking in aggressive manner or gossiping about other parents. As adults it is very important that we are seen as positive role models for the children in our care.

I am keen for Westminster Junior Primary to be a school where everyone feels safe and supported, and that we all treat each other with respect.

School Banking

The School Banking program at Westminster JPS provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. School Banking day is every Thursday at 8:30am in the Undercover Area. Bring your deposit book & hand it to the Commonwealth Bank representative. Every time your child makes a deposit at school they receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

The rewards items available during 2015 are:

- Glow-in-the-Dark Solar System
- Cosmic Light Beam Torch
- Outer Space Savers Money Box & Lunar Light Band both released Term 4
