We encourage as many parents and children as possible to walk to school when they are able.

Assemblies
It has been wonderful to see an increasing number of parents attend our school assemblies. Sadly, these events can be affected by parents and friends chatting during the assembly. Both staff and students spend weeks organising and preparing for these events, and I ask that parents and their guests show respect by keeping noise to a minimum during the assembly. Thank you for your support.

2016 Booklist
Your child’s 2016 Booklist will be going home this week.

Ms Jo Hine
Principal

School Board
We will have some vacancies on our School Board for 2016 and will be calling for nominations from parents of students at our school. We will put nomination forms out within the next month. The School Board is a great way for parents to have input into the strategic directions of the school. No experience is required and the Board meets once or twice per term. If you have any questions please call the school on 9349 4290.

2016
Just a reminder that if you have any educational issues that the school needs to be aware of when forming classes for 2016, please email me at Westminster.JPS@education.wa.edu.au. Please remember that requests need to be based on educational reasons.

Parking
We have noticed that a number of parents have been parking in a dangerous manner. Some visitors to our school are parking diagonally across the footpath at the front of the Child and Parent Centre. It is illegal to park up on the footpath and dangerous to parents and children walking along the path.

2. Private group – this is for newsletters, important dates and special events. You will need to send a request to the page admin that will then check that only parents become members for privacy reasons. If for some reason you aren’t approved come and let us know and we will add you.
