Principal’s Message

Dear Parents and Caregivers

Swimming

Finally our students have had some warm weather and they can enjoy the pool. It has been great to see our students practising our expectations of Be Respectful; Be a Learner and Be Safe. We have been awarding students who have been showing these behaviours raffle tickets. The winning students earn vouchers to the canteen.

TV Stars

Room 4 students will be involved in promoting their book on The Fascinating History of Astronomy on NITV. The film crew was at school today. Thank you to Mrs Jones for organising this great opportunity for our students.

More information about Room 4’s book launch will be available soon.

Class Placements for 2017

We are about to start planning our classes for 2017. If parents and carers have requests with regards to the placement of your child please put the request in writing or email Principal.Westminster.JPS@education.wa.edu.au. Only requests that are made for the educational needs of your child will be considered. Putting in a request does not guarantee a placement in a particular class or with a particular teacher.

If you have any queries or would like to ask advice please contact the front office or call 9349 4290.

Returning for 2017

To assist with planning could parents please inform the front office if they will not be returning to Westminster Junior Primary in 2017.

Book Lists 2017

By now you should have received the Book List orders for 2017. Please ensure they are returned to the classroom teacher or alternatively order online before Wednesday 7th December 2016. Each Book List ordered either online or received at school will receive an icy pole voucher. Icy poles will be given out each Wednesday (16/11, 23/11, 30/11 and 7/12).

Westminster Primary School 2017

Year 4 Enrolment Forms

To ensure placement for Year 4 in 2017 please return enrolment forms to the Front Office at Westminster Primary School.

Ms Jo Hine
Principal
Celebrating Westminster Junior Primary

Westminster Junior Primary’s new Nature Playground is complete and it looks fantastic! The staff and students would like to thank Project Scape Australia again for doing a wonderful job.
Community News

What is Youth Mental Health First Aid?

Youth Mental Health First Aid is designed for adults to assist adolescents who are at risk of a mental health problem or are experiencing a mental health crisis, until appropriate professional treatment is received or crisis can be resolved. Mental health first aid strategies are taught in this evidence-based program.
