P & C News

What an amazing array of Spooks and Superheroes at Friday night's disco. It was so hard to pick the most creative costumes as everyone made a huge effort. We hope that a good time was had by all. I know that Thor enjoyed the evening!

Many thanks to our all our Volunteers who helped in the Canteen, on the dance floor and at our various "check points". Thank you to our Principals and Teachers who helped out throughout the evening to ensure that our kids were having fun and kept safe.

To our DJ Jenny (aka Wonder Woman) we extend our warm thanks for her generous offer to keep the kids enthusiastic, engaged and entertained during the evening.

Finally to our parents and carers, without you bringing your kids to the Disco this event would not have been the success it was. We hope that you enjoyed the evening along with the kids. Thank you for supporting your P&C.
